## Venue

The venue is in the campus Neues Palais of the Universität Potsdam in Germany (Am Neuen Palais 10, 14469 Potsdam).

The room for the talks is in building 9, and is room 1.14 (on the first floor). There is also two other rooms at your disposal for working, namely room 1.15 (also in building 9 and on the first floor), and room 2.06 (coffee room, also in building 9 but on the second floor).

To come to the workshop:

- The closest **bus stations** are **Neues Palais**, or **Camp. Universität/Lindenallee Potsdam**. Both are less than 5mn walking distance from the workshop venue.
- The closest **train station** is **Park Sanssouci**. It is 10 mn walking distance from the workshop venue. Alternatively from the **bus station Park Sanssouci** below the train platforms, it is 6mn by bus 605, 697 or X5 - get off at the station **Neues Palais** or **Camp. Universität/Lindenallee Potsdam** (some bus don't stop at both), it is then 5mn walking distance.

- If you come by **plane**, note that there is a direct train from the airport BER to the train station **Park Sanssouci**: the RB22. But it is quite irregular (less than once per hour). Please check the [DB website](#) for precise time schedules and itineraries.

The coffee breaks will be served upstairs (second floor) of the room for the talks (building 9, room 2.06), and the lunches will be taken at the Mensa, which is the restaurant of the university (in building 12). There will also be coffee served in the coffee break room after lunch except on Friday.

The workshop finishes on Friday 22nd of March 2024 at 12:30 (or after lunch at the mensa). There will be someone in the coffee break room (room 2.06) until 14:00 on Friday in case you want to leave your luggages there.
